King of Prussia, Pennsylvania

The H.U.F. (Honoring Unsung Fathers) Awards is a special Father's Day annual event, created and hosted by Judge Mablean Ephriam. Judge Mablean believes in the sanctity of marriage and parenthood. Issues surrounding family, especially the presence of a strong, loving and hard working father is very dear to Judge Mablean. She strongly believes that the positive interaction between a supportive and caring father and his child(ren), nurtures the inner spirit, and paves the way toward healthy adulthood and a better society.

The mission of the Awards is to identify and recognize fathers who play a vital role in the development of their child(ren) lives.

The purpose is to reach out to families and communities to celebrate fathers and make Father's Day as special as Mother's Day; to encourage and promote positive fatherhood by spotlighting fathers who accept their role and responsibility and do it well.

Awards are given in the following categories: Solo Warrior (the father who never married the child's mother and who is the primary custodial parent); Love Cares (the married father, living in the home); Fatherhood Forever (the divorced father, who divorced the mother, not the children); The Village Dad (the non-biological father who stepped into the shoes of father); and the Living Legacy (the elderly father, the role model for all other fathers). The winners of these awards are nominated by their children, wives, ex-wives, parents, siblings, other relatives, friends, and coworkers and others who know and admire their great qualities. Nominees are primarily from Los Angeles County, but are not limited to Los Angeles County.

In addition to these categories, the Founder, Judge Mablean, presents a Founder's Award to a father hand-picked by her and the Board of Directors also selects a father to receive its award.

All nominees must be current in child support, have no history of child support arrears, domestic violence, child abuse or sexual assault.

Nominations are open to the public and will be accepted until **May 9, 2008**.

Scholarship Opportunities

In addition to honoring fathers on this day, scholarships will be awarded to three (3) 2008 graduating high school seniors to assist them in their pursuit of a college education. In addition, MEF will award two (2) scholarships to persons between the ages of 20 to 35 who delayed their college education, for personal or financial reasons, and have now decided to pursue a college degree. We believe awarding college scholarships to these adults addresses our mission to economically strengthen our communities.

Special consideration will be given to those students pursuing a career in the health sciences, pharmaceutical science, technology, entertainment (film, television), insurance, automotive, environmental science, banking and law.

The scholarship program is open to persons residing throughout greater Los Angeles County, with specific emphasis on the underserved communities of Lynwood, Compton, Carson, Gardena, Hawthorne and Lawndale. The scholarship application deadline is **May 9, 2008**.
